

# 2019 CHARITY IMPACT

2019 was the 28th running of the Gorham Savings Bank Maine Marathon, Half-Marathon, and Marathon Relay. One of the longest running marathon events in New England, the Maine Marathon is Maine Track Club's premier event.

New in 2019, the Maine Marathon had five primary beneficiaries: Eastern Trail Alliance, Girls on the Run Maine, Portland Community Squash, Rippleffect, and Winterkids. With total donations over \$120,000, the charitable impact of the event has increased as the event grows.
