

2023 CHARITY IMPACT

2023 was the 32nd running of the Gorham Savings Bank Maine Marathon, Half Marathon, and Marathon Relay. One of the longest running marathon events in New England, the Maine Marathon is Maine Track Club's premier all volunteer event.

For 2023, the Maine Marathon had four primary beneficiaries: The Ecology School, Maine Children's Cancer Program (MCCP), Veggies to Table, and YMCA Camp of Maine. The success of the event allowed us to donate \$75,000 to the Lewiston mass shooting victims and families. With total donations over \$646,000, the charitable impact of the event has increased as the event grows.
